DAY 1

CME on Acute Care Nephrology & Dialysis Workshop

November 12, Saturday

Venue : Child Development Centre, Thiruvananthapuram

DAY 2

Conference: A Primer on Pediatric Nephrology

November 13, Sunday

Venue : The Hotel Residency Tower, Thiruvananthapuram

Organized by

Department of Pediatric Nephrology, SAT Hospital,
Government Medical College, Thiruvananthapuram

In Association with

IAP Thiruvananthapuram and
Trivandrum Nephrology Club

Endorsed By

Indian Society of Pediatric
Nephrology

Supported by

International Society of Nephrology (ISN) Sister Renal Centre (SRC)
Collaboration with Cincinnati Children's Hospital Medical Centre, Ohio, USA

Dear Friend,

Greetings from Thiruvananthapuram, Kerala

We have great pleasure in inviting you to the National Pediatric Nephrology Conclave 2022 organized as part of the International Society of Nephrology (ISN) Sister Renal Collaboration between SAT Hospital and Cincinnati Children's Hospital, Ohio, USA.

We are organising the third edition of the conclave in association with IAP Thiruvananthapuram and Trivandrum Nephrology Club and is endorsed by the Indian Society of Pediatric Nephrology (ISPN). The theme of the meeting is "Kidney Health for Everyone, Everywhere - To Bridge the Knowledge Gap." Faculty include luminaries in the field of Pediatric Nephrology from India and abroad.

On 12th November, a CME on Acute Care Nephrology and Dialysis workshop is planned at the Child Development Center, Govt. Medical College Campus, Thiruvananthapuram. There will be a separate CME and workshop on Pediatric Dialysis for Allied Health Professionals.

On 13th November, Conference - Primer on Pediatric Nephrology - will be conducted at The Hotel Residency Tower, Thiruvananthapuram. The academic program has been carefully carved to address the changing paradigm of Kidney Diseases in children with specific attention given to practical issues in management.

We are conducting an E-Poster competition for Postgraduates in Pediatrics and Nephrology. Best three presentations will be given cash prizes and certificates. An abstract not exceeding 500 words may be submitted to isnsrcsat@gmail.com on or before 05th November 2022.

We are expecting approval from TC Medical Council for CME credit hours.

November 12 (Saturday)

Workshop on Pediatric Dialysis & CME on Acute Care Nephrology

November 13 (Sunday)

A Primer on Pediatric Nephrology

With warm regards

Dr. Susan Uthup

Organising Chairperson

Dr. Radhika C Radhakrishnan

Organising Secretary

Dr. Kala Kesavan

Principal

Dr. Bindu S

Superintendent

Highlights

- CME on Acute Care Nephrology
- Workshop on Pediatric Dialysis for Clinicians
- CME and Workshop on Pediatric Dialysis for Allied Health Professionals (Registration Free)
- Primer on Pediatric Kidney Diseases
- E-Poster Presentation and Competition
- Cash Prizes for the best three Poster Presentations

Day 1 : November 12, 2022

CME on Acute Care Nephrology

Venue : Gulmohar Auditorium, CDC Thiruvananthapuram

8.30AM	:	Registration
8.40-9.00AM	:	Pediatric AKI -Strategies for the Developing World Dr. Susan Uthup
9.00-9.20AM	:	AKI in Children - Recent Advances & Innovations Dr. Prasad Devarajan
9.20-10.40AM	:	AKI in PICU-Case Based Series Fluid Balance in Critically ill Dr. Sheeja Sugunam Managing Electrolytes Dr. Radhika Radhakrishnan Acid Base Imbalance in Critically ill Dr. Nivedita Kamath Preventive Strategies in Improving Outcome Dr. Azmeri Sultana
10.40-11.00AM	:	Tea Break
11.00-12Noon	:	Inaugural function
12.00-1.00PM	:	Renal Support Therapy in Critically ill Indication for RRT Dr. Rehna K Rahman Blood Based Therapies Dr. Nivedita Kamath Peritoneal Dialysis Dr. Liji R Optimizing Dialysis Therapy Dr. Christy Cathreen Thomas
1.00-2.00PM	:	Lunch

CME on Pediatric Dialysis for Allied Health Professionals

Venue : Dr. MKC Nair Auditorium, CDC Thiruvananthapuram

8.30AM	:	Registration
8.40-9.00AM	:	Introduction & Pretest Dr. Radhika C Radhakrishnan
9.00-9.20AM	:	Pediatric Hemodialysis - The Way Forward Ms. Raji C
9.20-9.40AM	:	Water Treatment System Ms. Minimol Thomas
9.40-10.00AM	:	Tackling Complications in Pediatric HD Ms. Reshma C Nath
10.00-10.20AM	:	Dialyser Reuse Ms. Sumitha Beegum
10.20-10.30AM	:	Q&A
10.30AM	:	Tea Break
11.00-12Noon	:	Inaugural Function
12.00-12.30PM	:	Access for Dialysis Ms. Sreedevi P A
12.30-1.00PM	:	Catheter Care Strategies in Dialysis Ms. Manjumol V S
1.00-2.00PM	:	Lunch

2.00-4.00PM

Workshop on Pediatric Dialysis

For Doctors - Stations

Hemodialysis	:	Dr. Vineetha N S • Dr. Radhika C Radhakrishnan
CRRT	:	Dr. Nivedita Kamath • Dr. Christy Cathreen Thomas
Peritoneal Dialysis	:	Dr. Azmeri Sultana • Dr. Liji R • Dr. Manjusha A

For Allied Professionals - Stations

HD machine and alarms	:	Mr. Biju Simon Panicker • Mr. Rose Antony
Dialysers and access	:	Ms. Sreedevi P A • Ms. Disney Mathew
Pediatric dialysis Prescription	:	Ms. Raji C • Ms. Reshma C Nath
Reuse and Disinfection	:	Ms. Reshmi Wills • Ms. Lekha S
4.00PM	:	Concluding Remarks Dr. Susan Uthup

Day 2: November 13, 2022

Primer on Pediatric Nephrology

Venue : The Hotel Residency Tower, Thiruvananthapuram

- 8.30AM : Registration
8.30-8.40AM : Introduction and Opening Remarks
Dr. R. Kasi Visweswaran

Session 1

CKD

- 8.40-9.00AM : Kidney Diseases in Children - Bridge the Knowledge Gap to Improve the Outcome
Dr. Arpana Iyengar
9.00-9.20AM : Application of Genomics and Proteomics in Pediatric Kidney Diseases
Dr. Prasad Devarajan
9.20-9.30AM : Q&A

Session 2

Nephrotic Syndrome

- 9.30-10.00AM : Steroid Sensitive Nephrotic Syndrome - Current Guidelines
Dr. Rehna K Rahman
10.00-10.30AM : Difficult Nephrotic Syndrome
Dr. Aditi Sinha
10.30-10.40AM : Q&A
10.40-11.00AM : Tea Break

Session 3

Mixed Bag

- 11.00-11.20AM : Inherited Tubulopathies; Early Diagnosis to Improve the Outcome
Dr. Azmeri Sultana
11.20-11.40AM : Antenatal Hydronephrosis
Dr. Aditi Sinha
11.40-12.00Noon: Managing a Wet Child -Surgical Perspective
Dr. Beena S V
12.00-12.20PM : Kidney Stones in Children
Dr. Nivedita Kamath
12.20-12.30PM : Q&A
12.30-2.00PM : Lunch Break & ePoster Presentation

Session 4

Hypertension

- 2.00-2.20PM : Approach to Hypertensive Child
Dr. Susan Uthup
2.20-2.40PM : Current Concepts in the Management of Hypertension
Dr. Radhika C Radhakrishnan
2.40-2.50PM : Q&A

Session 5

Recent Perspectives

- 2.50-3.15PM : Infection Related Glomerulonephritis - Newer Concepts
Dr. Arpana Iyengar
3.15-3.40PM : New Drugs for the Treatment of AKI - Current Clinical Trials
Dr. Prasad Devarajan
3.40-4.00PM : Cystic Kidney Diseases - Recent perspectives
Dr. Christy Cathreen Thomas
4.00-4.10PM : Q&A
4.10PM : Concluding Remarks
Dr. Susan Uthup
